# To Gertrude Pfeffer, We Dedicate Our Book

# Publications Produce Pride

The Publications class worked hard throughout the whole year. Each member of the class put their best efforts forward to produce the "Deerfield Sentinel" and the yearbook, "Circles in Time."

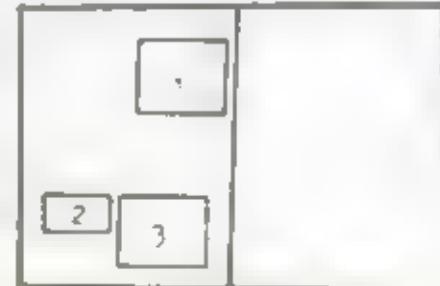

Each student was assigned to a certain section and was responsible for covering the stories for the newspaper and pages of the yearbook for that section. At the beginning of each six weeks, a new section editor was chosen. Section Editors were in charge of making sure all the deadlines for that section were made. Everyone was satisfied with the production of the year.

# Captures Tri-County

There are teams with size, and there are teams that are smart, but Deerfield will be known as the team that played with heart.

The Varsity Football team was a combination of the 1978 Varsity and JV teams, which had both won only one game in that season. But when they came together, they became a sudden winner. In the 1979 season they won the Tri-County Championship. They beat the unbeaten and proved they were champions.

The Deerfield Varsity Baseball team improved on their season from last year. Since they will be losing only two Seniors, Scott Scholl and Howard Priellip, there will be fifteen lettermen returning to the squad next year.

With a couple of breaks, this season would have been more successful. In the qualifying round of Districts, the Britton Tories beat the Minutemen by the score of 2-1. In the last inning the Minutemen had runners on third and second bases with only one out, but they couldn't get the runners to the plate. Those are the kinds of breaks that hurt the Minutemen all season.

Mr. Michael Grover continued as head baseball coach with Keith Kapnick as his second-year assistant. Together they tried to stress a tight defense and a strong offense. — Lee Hoffman
